FREQUENTLY ASKED QUESTIONS

Q: How do we get the equipment to you?

A: There are two ways to get collected equipment to LPF:

1. You can drop the equipment off at the warehouse
2. Arrange a pick-up of your equipment (availability may vary)

Q: Can we receive a donation bin from the organization?

A: Branded bins are available for pick-up. Collectors can also use any box/plastic bin from home that they see fit.

Q: Can we volunteer at the warehouse?

A: YES! We are always looking for volunteers to help us inventory & sort incoming equipment donations. You are welcome to volunteer as an individual or group to help process your own donation and get it back out into the community.

Q: Is there another way for people to donate if they do not have equipment?

A: Yes, we accept monetary donations to keep our operations up and running. Donations can be made on our website at www.levelingtheplayingfield.org or checks can be made out to "Leveling the Playing Field." Collectors can also create their own fundraiser with help from our staff!

HOW TO PROMOTE YOUR COLLECTION DRIVE

EMAIL BLURB

Clean out your garages! I am working with the nonprofit Leveling the Playing Field to collect used sporting goods to be donated to students in need. The cost of sports equipment has left a growing number of kids on the sidelines and I am working to ensure those kids have access to completely free equipment so they can get off the sidelines and in the game! All donations will be distributed to students in the DC and Baltimore areas.
