

# LPF | LEVELING THE PLAYING FIELD

## COLLECTION DRIVE GAME PLAN

1

### PICK A DATE

Identify a specific day or period of time that works for your schedule and allows ample time for outreach

2

### GET THE WORD OUT

Let your friends, teammates, and neighbors know about the collection drive through flyers, emails, social media, etc.

3

### COLLECT GEAR

Gear can be dropped off at a designated location, a drop box, or at your home

4

### DROP OFF AT WAREHOUSE

All donations can be transported to a LPF warehouse where it will be inventoried, sorted, and re-distributed to kids in need

# FREQUENTLY ASKED QUESTIONS

## Q: How do we get the equipment to you?

A: There are two ways to get collected equipment to LPF:

1. You can drop the equipment off at your local LPF warehouse
2. Arrange a pick-up of your equipment (availability may vary)

## Q: Can we receive a donation bin from the organization?

A: LPF does not provide bins to individual collectors, but we are happy to provide branded labels. Collectors can use any box/plastic bin they see fit.

## Q: Can we volunteer at the warehouse?

A: YES! We are always looking for volunteers to help us inventory & sort incoming equipment donations. You are welcome to volunteer as an individual or group to help process your own donation and get it back out into the community.

## Q: Is there another way for people to donate if they do not have equipment?

A: YES! We accept monetary donations to keep our operations up and running. Donations can be made on our website at [www.levelingtheplyingfield.org](http://www.levelingtheplyingfield.org) or checks can be made out to "Leveling the Playing Field."

## GENERAL TIPS

- Print up and display posters throughout your area starting a few weeks before the collection
- Publicize the collection by sending an email to you members
- Make announcements during programming
- Ask local sports teams and their coaches to participate
- Partner with schools in the community to increase the impact of the collection
- Ask to place bins in the school and have them publicize the project
- Contact sporting good stores in the community for potential donations
