

MITZVAH PROJECT

Are sports a big part of your life? Do you believe every child deserves the chance to experience the joy of athletics?

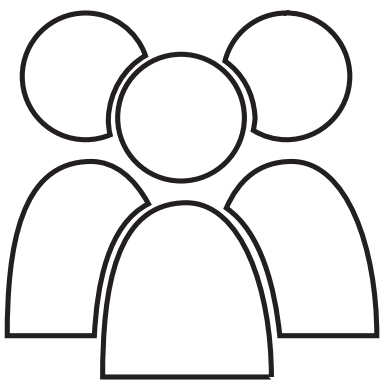

Help provide kids with what they need to get on the field through a **LPF Mitzvah Project!**

RUN YOUR OWN COLLECTION DRIVE

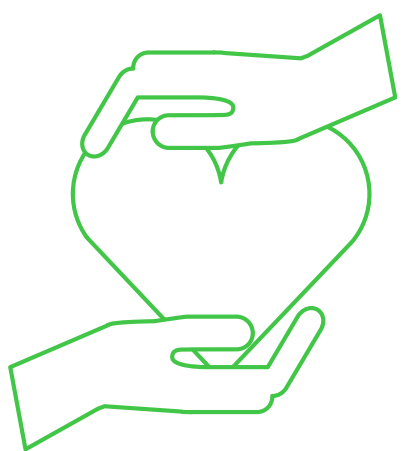

Volunteer collectors tap into their network of classmates, friends, teammates, neighbors, etc. to collect any unused/extra gear. LPF provides collectors with bins, flyers, email blurbs, tax receipts and best practices for running a successful collection drive. Collectors can also access our trailer for large scale collection drives.

VOLUNTEER AT THE WAREHOUSE

Once the project had been completed, donations are then transported to our warehouse. LPF is happy to pick to up the collection if transportation is not an option. Collectors will have the opportunity to volunteer in our warehouse sorting and inventorying their donations. Friends and family are welcome to join!

RAISE MONEY FOR LPF

LPF relies almost entirely on fundraising to make sure our warehouse doors stay open and our donations remain completely free. Everyday, we see PE teachers & youth programs coming into the warehouse to get much-needed equipment for their kids. Students can send letters to family & friends and/or create a custom fundraising page on our website. LPF will work with students to customize their fundraiser.
