

**YOU'RE**

**INVITED!**

## **Celebrate with us and give more kids the chance to play!**

This year, we're working with LPF to give back. Instead of gifts, please drop off new and gently used sports equipment or donate online.

All donations benefit Leveling the Playing Field to help kids in need access the sports they love.

For more information on how you can get involved or pick up gear, visit us at [www.levelingtheplyingfield.org](http://www.levelingtheplyingfield.org) and follow along on social media!
